SulihSuara — Voice Dubbing & Short-Drama Localization

Rate Card (USD) — Indonesian localization studio for vertical micro-dramas

Dubbing · Subtitling · Cultural adaptation · Packaging
Rates valid for episodes of 60–120 seconds. Series = one title, one language. Effective 2026.

Per-episode rates

Service	Per episode	What you get
Subtitle Package	**$12**	Adapted (not literal) Indonesian subtitles, timed .srt/.ass, native-speaker QC
AI Dub Package	**$45**	Everything in Subtitle Package + multi-voice AI dub cast per character (consistent across all episodes), mixed against your M&E stem, loudness-normalized master
Premium Hybrid	**$95**	AI Dub Package + human voice talent for the 2 lead roles + human ear QC pass by a native reviewer + 2 revision rounds

Bulk series pricing (60+ episodes, single title): −**15%** on all tiers.
Second language from the same master (Malay): **+40%** of tier price, not +100%.

Add-ons

Localized title, synopsis & episode metadata (per series)	$49
Thumbnail/poster localization (per series, template-based)	$79
Upload & scheduling operations (per series, your accounts)	$14

Rush delivery (48-hour series turnaround)	9 + 5 0 %

Turnaround

Test episode: **2 working days** (watermarked, free for the first title when a series order follows).
Full 60-episode series: **7–14 days** per language, delivered in batches of 15.
Capacity: up to 3 series in parallel.

Terms

50% deposit to start, balance per delivered batch. PayPal / Wise / bank transfer.
Includes 1 revision round per batch (Premium: 2). Extra rounds billed at 20% of batch value.
Client supplies: episode masters, M&E (music & effects) stem, and source script or English master subtitles. Client warrants all rights to the content; localization work-for-hire, all output rights transfer on full payment.
Voices: commercially licensed AI voices only; voice cast locked per character for the whole series.
